

This image shows a completely blank white rectangular area enclosed within a thin black border. There are no markings, text, or illustrations present on the page.

---	---

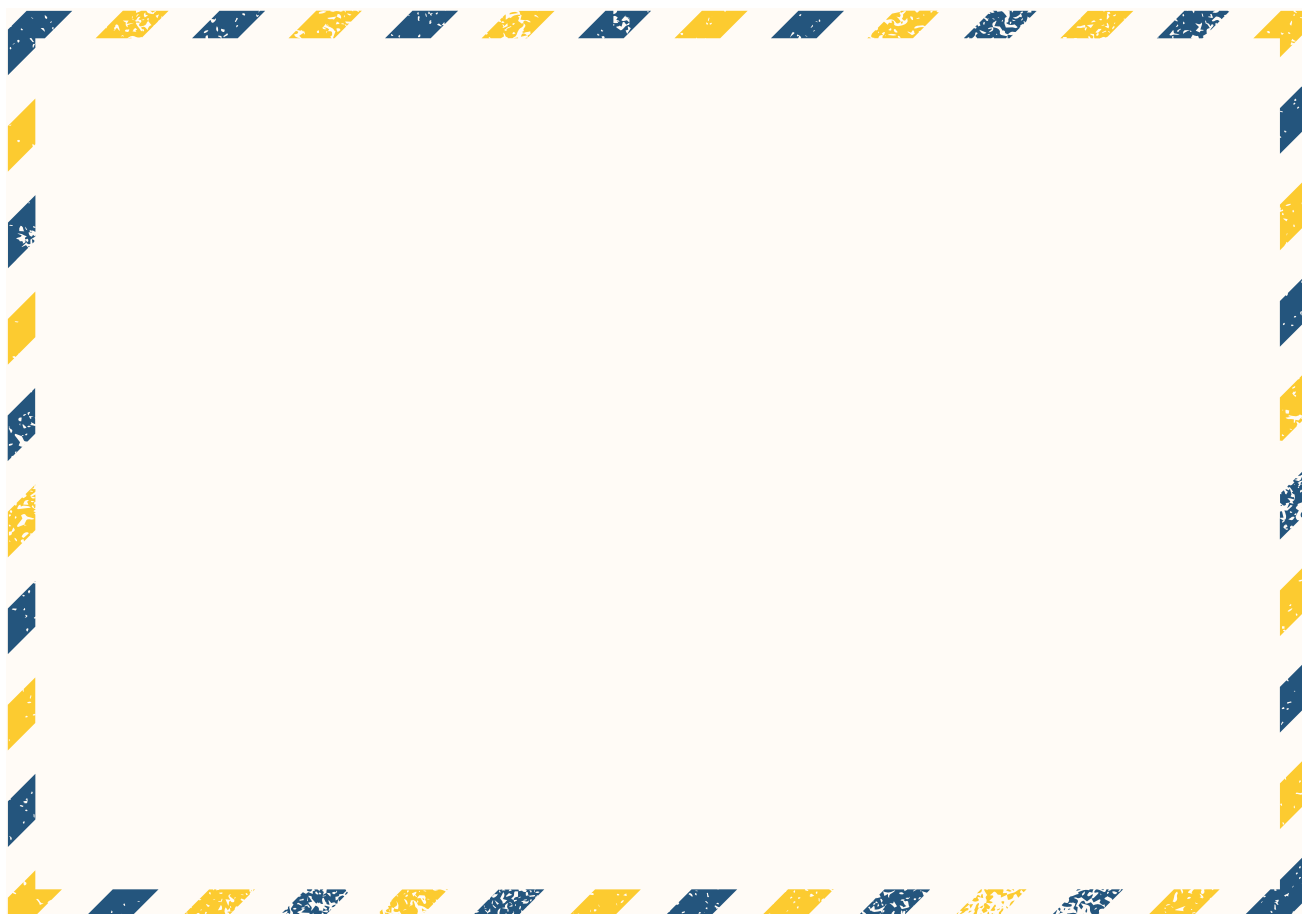

---	---

A postcard template with a red and blue dashed border. The front of the card features a vertical line separating the address area on the left from the return address area on the right. The address area has eight horizontal lines. The return address area has four horizontal lines. A rectangular box with a dotted border is located in the top right corner, intended for a stamp.

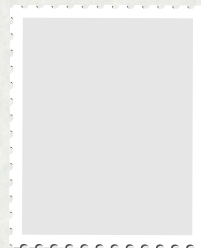

A blank postcard template with a red and blue dashed border. The card is entirely empty, with no lines or markings.
