

*You are not just a  
chapter in my life,  
you are the entire  
book.*

In your eyes,  
I see galaxies of  
unfold stories.

Your love is the anchor  
that keeps me grounded  
in the stormiest seas.

In your smile, I find  
the meaning of life.

You're the missing  
piece I never knew my  
soul needed.
