

Happy new year

Cheers to a new year and
another chance for us to
get it right.

HAPPY New Year 2025

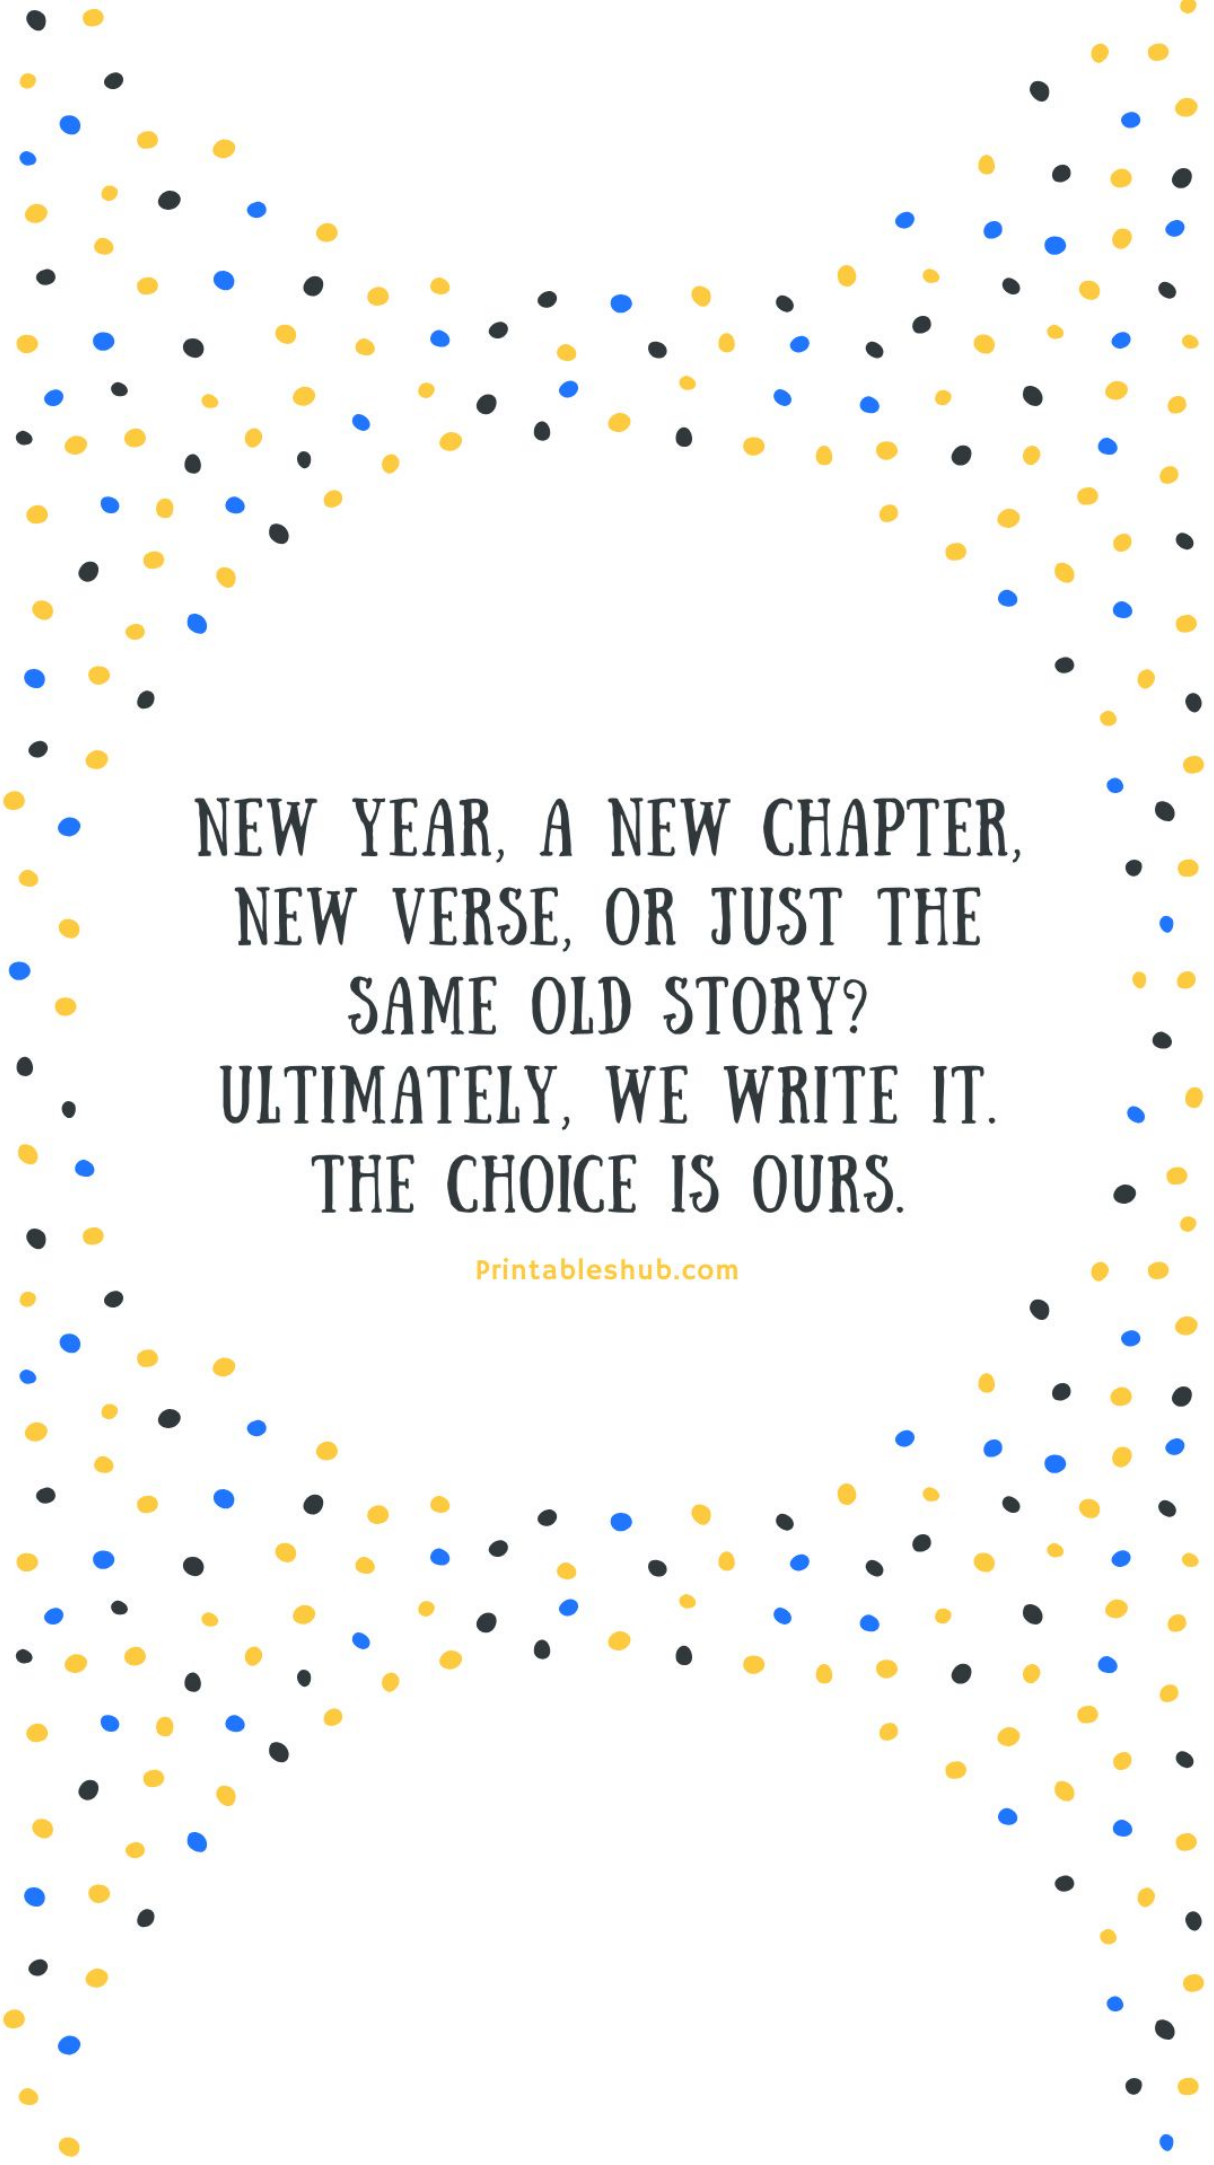

The magic in new beginnings is
truly the most powerful of them
all.

HAPPY NEW YEAR

Your present
circumstances don't
determine where you can
go; they merely
determine where you
start.

NEW YEAR, A NEW CHAPTER,
NEW VERSE, OR JUST THE
SAME OLD STORY?
ULTIMATELY, WE WRITE IT.
THE CHOICE IS OURS.

This is a new year. A
new beginning. And
THINGS WILL change.

The new
year stands
before us,
like a
chapter in a
book,
waiting to be
written.

Write it on your
heart that every
day is the best
day in the year.

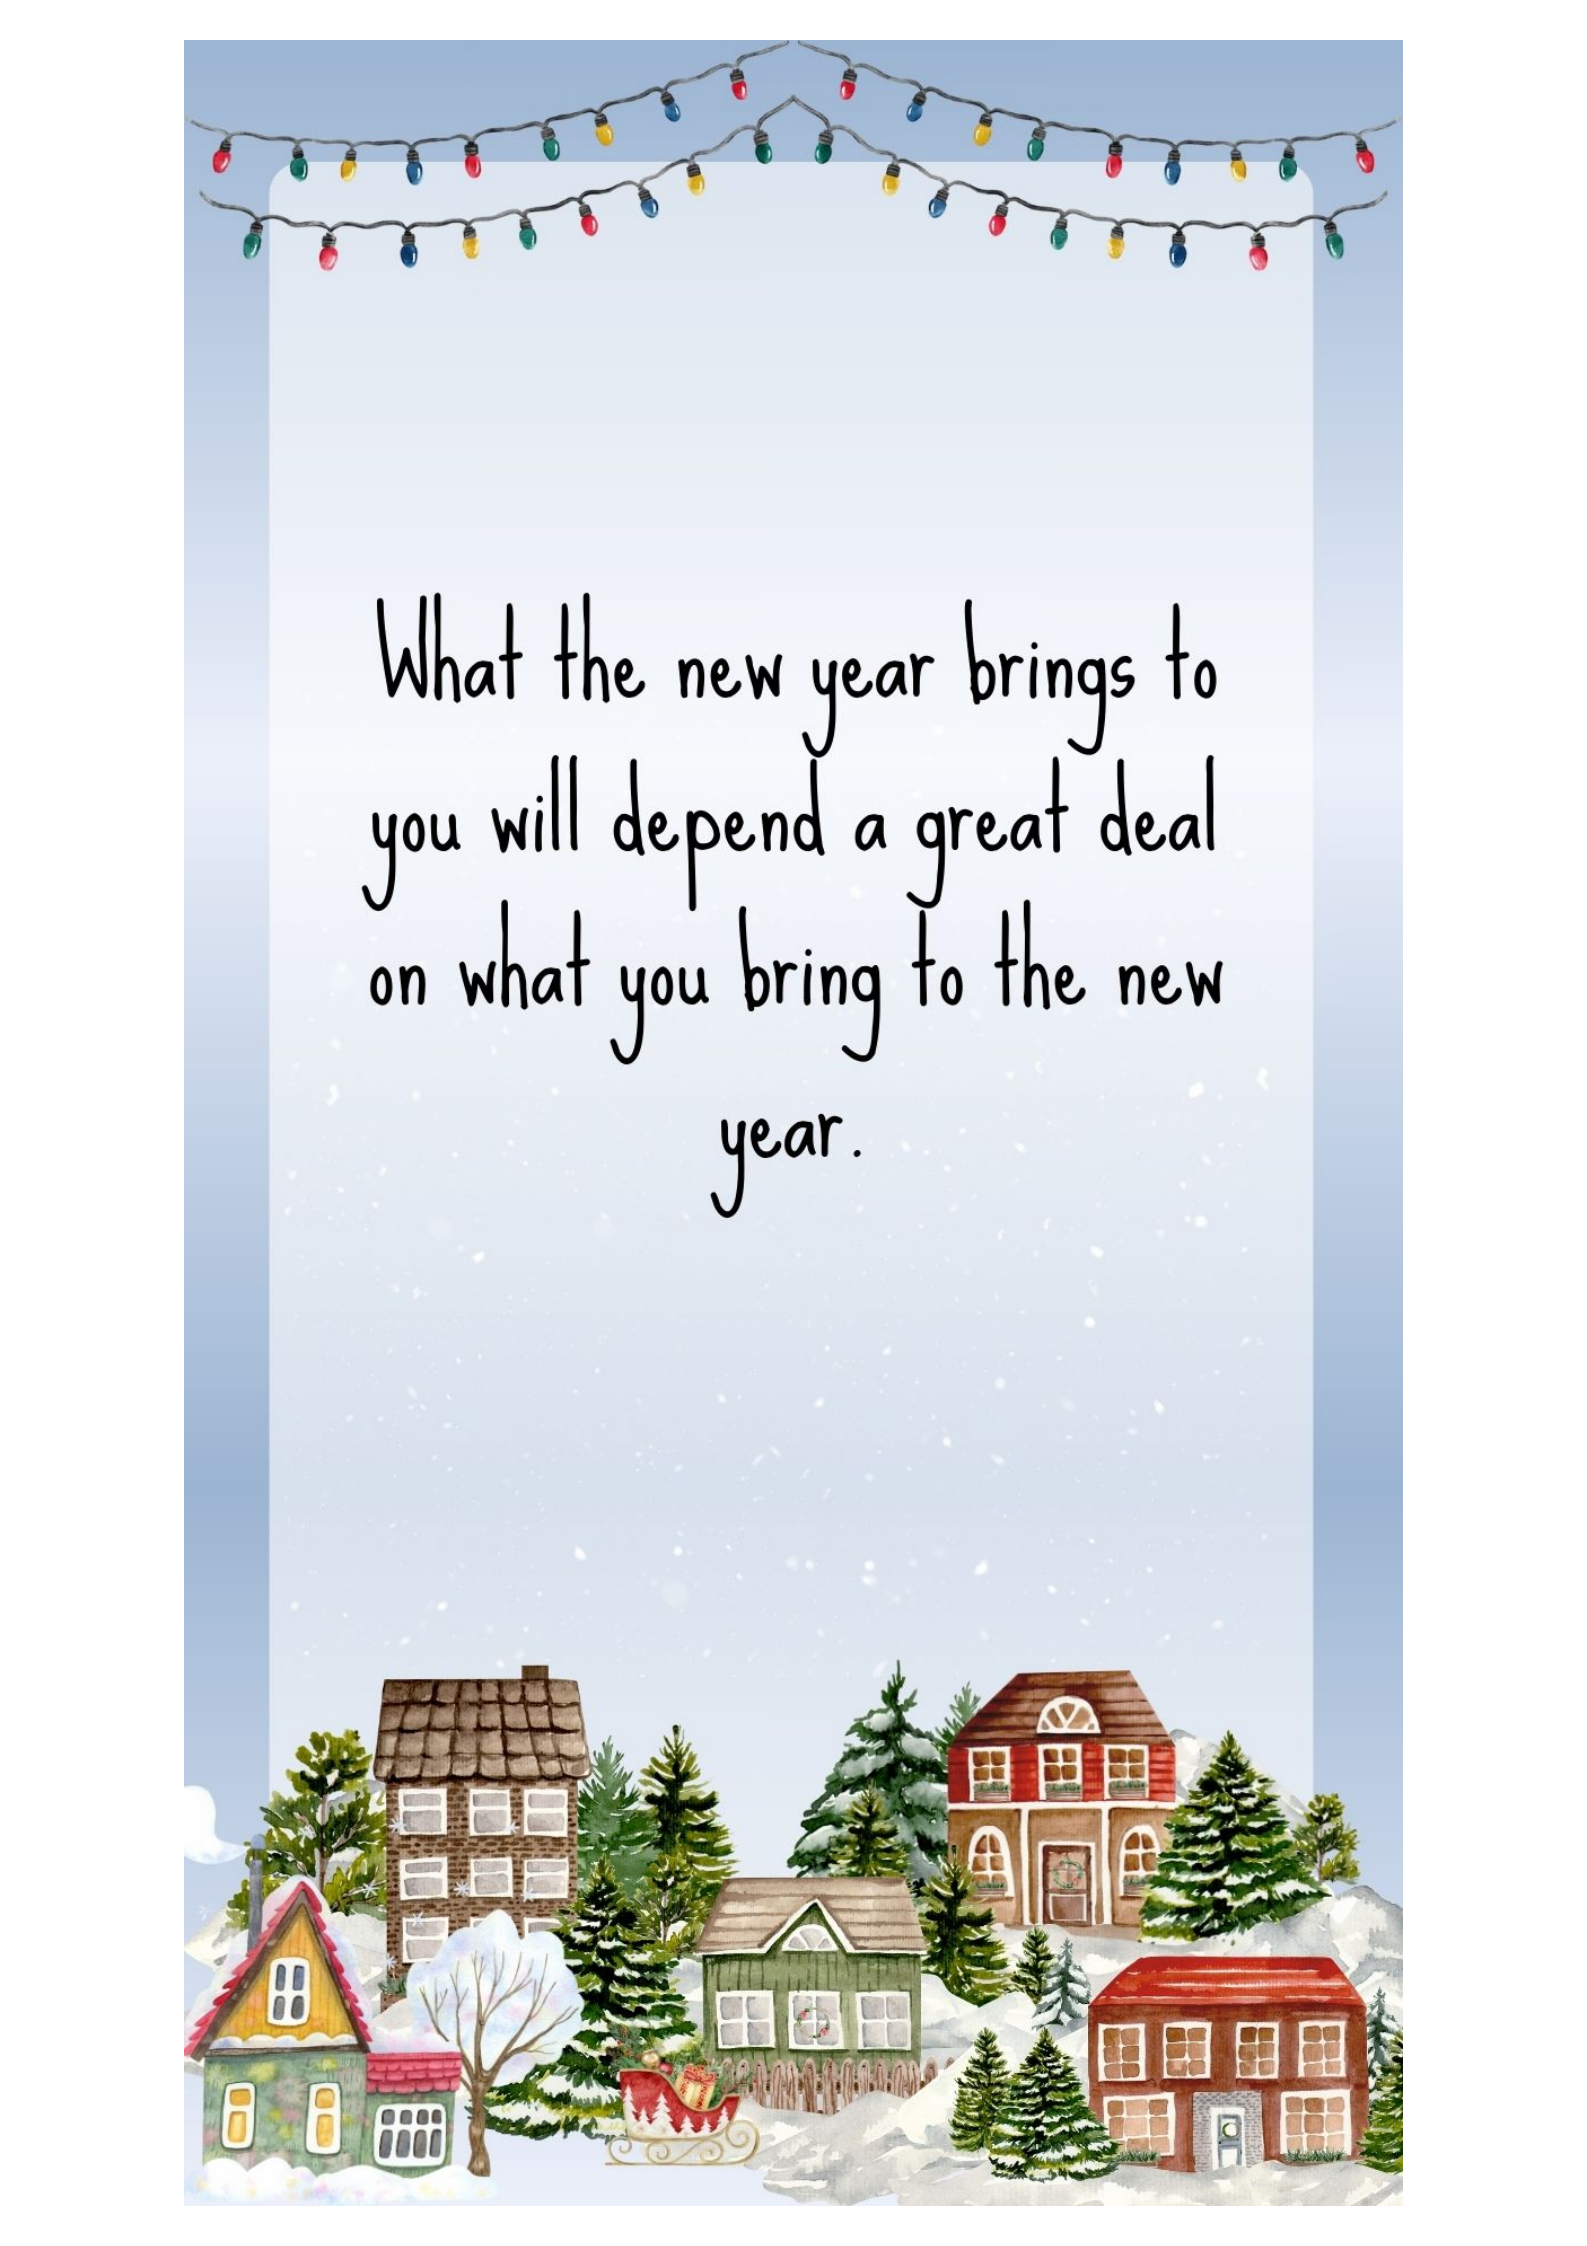

Every
moment is a
fresh
beginning.

Happy New Year

And now we
welcome the new
year. Full of
things that have
never been.

What the new year brings to
you will depend a great deal
on what you bring to the new
year.

New Year

Perhaps the beauty of a new year is not in starting over, but in continuing - with everything we've learned, everyone we've loved, every lesson that shaped us, and a little more faith in what lies ahead.

Happy New Year

May you enter this new year with gratitude for what was, peace with what couldn't be, and hope for everything that is yet to come. Some chapters end quietly, so better ones can begin.
