

I'm not Irish, but
kiss me anyway... I
could use the luck!

Why don't you iron four-leaf
clovers?

You don't want
to press your luck!

I'm here for the shenanigans...
and the Guinness.

*Wish you a lot of laughter
and plenty of pints!*

**Let's take a Leprechaun
walk on the lucky side of
life.**

I'm here to shamrock your
world, one pun at a time!

You're clover the rainbow,
and
I'm feeling lucky to know ya!

If you're looking for gold, try following me—I'm priceless!

Keep calm and shamrock on—it's
your lucky day!

When life gives you rain, look for
rainbows; when life gives you
shamrocks, thank your lucky stars!

Never underestimate a
leprechaun—they're small, but
their sass is mighty!

I found my lucky charm—
spoiler: it's me!

Rainbows: because even
leprechauns need a flashy
entrance!

I'm not just lucky
—I'm clover the
moon about it!

**I shamrock at being lucky
—it's basically my job!**
