

Story Prompts

- A dying dragon makes a pact with a human child to carry on its legacy, but the child starts turning into a dragon.
- In a future where emotions are taxed, a rebellious artist fights back using illegal poetry.
- A detective solves crimes in a world where everyone is born without fingerprints—except the latest murder suspect.
- Two strangers fall in love through a decades-old time capsule, but they're living 40 years apart.
- Humanity discovers an alien message buried inside a black hole, and it's addressed to someone still alive.
- After a small-town mayor vanishes, the townspeople receive identical postcards with different return addresses.
- Every mirror in the world suddenly shows a different reality—except one.
- A person wakes up to find their memories are being auctioned online, and strangers are bidding on their past.
- A reclusive florist keeps getting anonymous letters—until she realizes they're from a ghost who used to live upstairs.

Story Prompts

- A woman wakes up every morning to find one new item in her locked apartment—with no idea how it got there.
- A samurai is cursed to never draw their sword unless it's for mercy—and now they must lead an uprising.
- In a world where books are considered dangerous, a librarian runs an underground storytelling network.
- A child's imaginary friend begins communicating with the parents—but only when the child sleeps.
- In 1920s Paris, an inventor builds a device that records dreams, but it accidentally captures secrets from the future.
- A teen discovers that their handwritten journal can now control time after a solar flare wipes out all electronics.
- Two rival chefs are forced to co-run a kitchen in a cooking competition—but they must cook blindfolded.
- Every night, the moon disappears for one minute—and during that minute, no one can lie.
- A group of people in therapy slowly realize they all dreamed of the same terrifying creature—and it's getting closer.

Assassin

Story Prompts

1. An elite assassin is hired to kill someone, only to realize their target is a future version of themselves.
2. A retired assassin living under a new identity is forced back into the game when their child is kidnapped by someone they thought was dead.
3. In a dystopian future, assassins are ranked on a public leaderboard, and the top spot wins the right to live another year.
4. A clumsy, soft-spoken baker is secretly the world's deadliest assassin—but their next target is a regular customer who just asked them on a date.
5. A blind assassin uses sound and scent to track their marks—but one day, they hear nothing at all.
6. A religious order trains assassins to "cleanse" sinners, but one assassin begins to question the morality of the scriptures.

Assassin

Story Prompts

- An assassin infiltrates a royal palace to kill the king, only to learn they were the king's lost sibling.
- A sentient AI designed for political assassinations begins developing a conscience—and a desire for freedom.
- A teenage assassin is hired to kill a notorious mob boss, only to find out it's their estranged biological parent.
- In a world where everyone's lifespan is fixed at birth, assassins are paid in years—not gold.
- A legendary assassin fakes their death to escape the guild, but they're hunted by their former apprentice who believes it's a test.
- An assassin who can't feel pain discovers a strange mark on their skin after every kill—and it's starting to form a map.
- A cursed assassin sees the last memory of every person they kill—and it's tearing them apart.

Assassin

Story Prompts

- A lonely assassin tries therapy for the first time, not realizing their therapist is secretly profiling them for a bounty.
- After missing a target for the first time, an assassin begins receiving cryptic notes from the person who spared them.
- A magical assassin uses shadows to move between dimensions—but one day, the shadows refuse to let them leave.
- An assassin discovers that each of their targets has been replaced by a perfect double—but no one else notices.
- A pacifist accidentally kills someone and is recruited by a mysterious guild that believes them to be a prophetic killer.
- A failed assassination attempt on a political leader sparks a civil war—and the assassin is now seen as a folk hero.
- An immortal assassin has grown tired of killing, but the only way to die is to be killed by someone they trained.
