

The way of the
Samurai is found in
death.

Even if it seems
certain you will lose,
retaliate. Neither
wisdom nor technique
has a place in this.

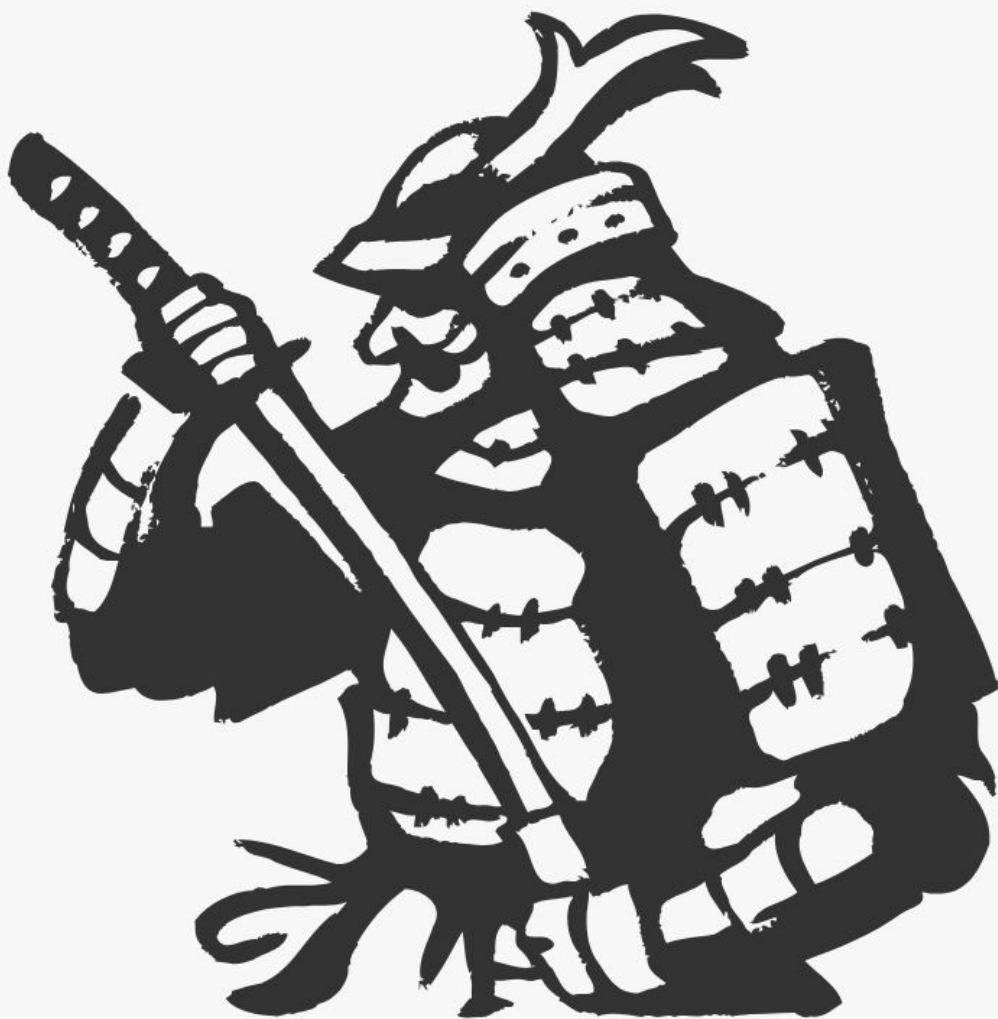

Do not seek to follow in
the footsteps of the wise.

Seek what they sought.

A warrior is worthless
unless he rises above
others and stands strong
in the midst of a storm.

Matters of great concern
should be treated lightly.

Matters of small concern
should be treated seriously.

To win any battle, you
must fight as if you are
already dead.

Respect the gods, but
never rely on them.

The sword is the soul of
the samurai.

When you are resolved
from within, no outside
trouble can affect you.

Do not regret what you
have done.
